ABSTRACT Document: AN EXPLORATION INTO NORTH ...

relationship between an individual and her tradition For the first half of my experience with the music I researched I delved into almost all the available English-language literature that was available on the history of North Indian classical music: I read about ragas, how they are structured, when they can be played, and what they mean

Eric Ball His Life and Music, 1903-1989 - Cambridge Scholars

my first acquaintance with the music of the classical master was through Ball's arrangements and to this day, when I hear the opening bars of a particular orchestral work, my mind's eye is apt to present me with the memory of a row of tunicked bandmen The basis for study of a composer's works is a list of his first
